

The DAISY Award[®]

FOR EXTRAORDINARY NURSES

IN MEMORY OF J. PATRICK BARNES

The DAISY (Diseases Attacking the Immune SYstem) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say "thank you" to nurses in a very public way.

FOR EXTRAORDINARY TEAM MEMBERS

The BEE (Being Exceptional Everyday) Award honors and recognizes team members outside of nursing who go Beyond Exceptional Expectations. These team members provide extraordinary experiences for our patients, their families and visitors by exemplifying quality service and extraordinary care.

Coffeyville Regional Medical Center
Human Resources Department
1400 W. 4th Street.
